Thanks to Sheryl Moore for taking on this project. It takes a lot of personal time to take on a task of this size.

The best way to find names is to use your browser search feature.

From Canal St. and Wood Ave.,turn East on Wood Ave. about 2 1/2 miles to Cemetary on the left.Large metal gates flanked by white brick wall.There are 6 sections in use at present....BABYLAND,"A","B","C","D" AND "K".This is a fairly well-maintained Cemetary,but does have a gopher problem,so watch where you walk.
