Submittal by Richard Wilkinson Aug 2000

The only editing that was done to this record was to title the columns and insert seperations to form the colums to make the document easier to read and understand.

These records were extracted from the Eddy County Clerks data base. As you will see, they are arrangned, (from right to left) by year of marriage, then by the groom's last name. On the left side, you will find the book and page of the document in the event you want to order a copy of the record.

To order any of these documents you will need to contact the Eddy County Clerks Office in Carlsbad, NM (505)885-3383. Each record is one page. Each page ordered will cost about .50 cents per page. See the Eddy County Project page for the address of the Clerk's Office: <http://www.rootsweb.com/~nmmeddy/eddyfiles.html>
